CANCELLATIONS

If you are unable to minister at your designated time — either Wednesday or Sunday — please call the Music Department (214-331-6516, ext. 105) so they may find a replacement for you.
 After hours, please contact Chris Renwick (214-697-8531). It is important to contact Chris no later than 7:30 a.m. for Sunday morning cancellations.

Team, please use the Sundays you are not scheduled to be in the worship service with your family. It is a priority for us to be in a worship service with our spouse or other family members so they know we are leaders even when we are off stage. This is also a time for you to be refreshed and practice your "raw" worship. This is the worship we give to God with more than just our talents, but with our heart and attitude. In order for us to be members of this "platform" ministry, we must be aware of the higher responsibility we have ourselves and to our body. Please let us know if you are not able to meet these requirements. Thank you, Pastor Oscar
