Grace Home seeks to bring glory to God by providing a warm and loving home (free of charge) to girls and young women facing a crisis pregnancy. The purpose of residential housing is to establish an environment where broken and hurting girls can receive forgiveness and God's grace and experience new life through Jesus Christ. Grace Home strives to see lives changed by ministering to the physical, emotional and spiritual needs of every young woman. Our ultimate goal is to demonstrate God's love and to Save Lives...for Eternity!
